

EXPRESSIONS

School Of Performing Arts

Happy Winter

We appreciate all of your efforts to brave the snow to attend classes at Expressions. Our studio will close when the Post Falls School District closes due to snow. We'll also notify callers on our message machine and post closure dates on the homepage of our website.

June Recital

Our annual June Recital will be held at the Kroc Center on June 15th and 16th. The theme is "Up, Up, & Away - Escape from Maplewood Gardens". Featuring an elderly couple who escape from their nursing home to visit the world on a balloon ride, this production is filled with colorful and charming performances from many cultures and countries.

You can participate too as a volunteer Stage Mom. We couldn't do it without moms to help backstage with timing, costumes, hair, make-up, and bathroom breaks.

Visit the "Recitals" link on our website for specific volunteer info, rehearsal schedule, casting info, and more.

Don't Forget

Classes will be learning their June Recital performance from now until June 15, 2012. Attendance at each class is absolutely necessary to ensure each student learns the recital performance to the best of their ability.

Mark Your Calendar

FEBRUARY 20
